State Board of Elections  
2329 S MacArthur Blvd  
Springfield, IL 62704-4503

To Whom It May Concern:

Currently, the equipment in Washington County is in good working order. We have been diligent in maintaining our election equipment every 2 years.

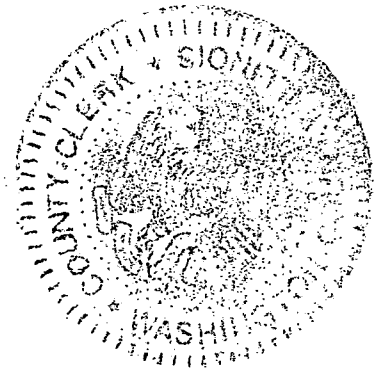

I have no plans to replacing the election equipment at this time. However, we would consider making an investment in a new voting system, if the financial resources were made available.

We believe the associated costs with obtaining new equipment is approximately \$10,800 per precinct.

Sincerely,

Nancy Heeseman  
Washington County Clerk
