May 5th , 2025

Present were Dave Karg, Eric Malick, Dan Bronke and Paul

Called to order 17:35

Minutes of last meeting were approved with a motion by Paul and seconded by Eric

Zoning

Matt told the committee both Nashville solar projects were on hold. Company is wanting to get things better prepared before they try again.

Matt is working with Andy Kyte on the BESS ordinance

No zoning cases to be heard in May.

EMA

Matt explained he had just returned from a week long intensive training in Rochelle about Incident Command.

Matt explained that one of the squad windshields was hit by a rock and needed replaced. Cost was \$919 dollars and we have a deductible of \$1000.00 He also explained that the brakes were replaced on same squad and the price came in almost twice what was told it would be. Do not plan on using Zapp's auto again.

Matt told the committee that EMA obtained a grant from Maschoff Pork farm for \$3000 dollars to purchase new CPR manikins.

Matt also informed the committee that he had resubmitted for the Grant for the EOC.

It was discussed that meetings would be held on the first Monday of the month at 5:30

Motion to adjourn by Dan and second by Eric
