

Washington County Finance Committee

8/7/25 Meeting Minutes

Chairman Brammeier called the meeting to order at 9:00 am

Various County Board members and elected County officials and related staff were in attendance. Tyler Technologies representatives were also present and led the meeting.

Tyler presented their software package to the group, then went over more specific modules that would serve individual departments to varying degrees.

After all information was presented, questions were asked and answered, Brammeier adjourned the meeting at 3:15 pm.
